INSTRUCTIONS TO BIDDERS / OFFERORS
TERMS AND CONDITIONS

- 1. REQUEST FOR QUOTATION (RFQ) REVIEW:** Bidders / Offerors must carefully review this RFQ for defects and questionable or objectionable material. Bidder / Offerors' comments concerning defects and questionable or objectionable material in the RFQ must be made in writing and received before the date and time set for receipt of quotes. This will allow time for an amendment to be issued if required and help prevent the opening of a defective quote; upon which award cannot be made.
- 2. QUOTATION FORMS:** Bidders / Offerors must use this and any attached forms when submitting quotes. A scanned quote may be submitted to LDEASIS@thrha.org.
- 3. SUBMISSION:** Quotations must be signed where applicable and received prior to the RFQ deadline.
- 4. QUOTE REJECTION:** THRHA reserves the right to reject any or all quotes, combinations of items, or lot(s), and waive any defects or minor informalities.
- 5. EXTENSION OF PRICES:** In case of error in the extension of prices in the quote, the unit prices will govern. Negligence by the Bidder / Offeror in preparing the quotation confers no right for the withdrawal of the quotation after it has been received.
- 6. THRHA PROCUREMENT POLICY:** THRHA Procurement Policy and its Regulations are made a part of this document as if fully set forth herein.
- 7. PRICES:** The Bidder / Offeror will state prices in the units of issue on this RFQ. Prices quoted for commodities must be in U.S. funds and include applicable federal duty, brokerage fees, packaging, and transportation cost to the FOB point so that upon transfer of title the commodity can be utilized without further cost. Prices quoted for services must be quoted in U.S. funds and include applicable federal duty, brokerage fee, packaging, and transportation cost so that the services can be provided without further cost. Prices quoted must be exclusive of federal, state, and local taxes. If the Bidder / Offeror believes that certain taxes are payable by THRHA, the Bidder / Offeror may list such taxes separately, directly below the bid price for each affected item. THRHA is exempt from Federal Excise Tax.
- 8. PAYMENT FOR THRHA PURCHASES:** Payment for agreements under \$100,000 for the undisputed purchase of goods or services provided, will be made within 30 days of the receipt of proper invoice.
- 9. PAYMENT DISCOUNT:** Discounts for prompt payment will not be considered in evaluating the price you quote. However, THRHA will be entitled to take advantage of any payment discount(s) offered by the Bidder / Offeror provided payment is made within the discount period. Payment discount periods will be computed from the date of receipt of the commodities or services and/or a correct invoice, whichever is later. Unless freight and other charges are itemized, any discount provided will be taken on full amount of invoice.
- 10. BIDDER / OFFEROR TAX ID NUMBER:** If goods or services procured through this RFQ are of a type that is required to be included on a Miscellaneous Tax Statement, as described in the Internal Revenue Code, a valid tax identification number must be provided to THRHA before payment will be made.
- 11. The Contractor will not be required to indemnify THRHA for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the Contractor and the independent negligence of THRHA, the indemnification and hold harmless obligation will be apportioned on a comparative fault basis. "Contractor" and "THRHA", as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term "independent negligence" is negligence other than in THRHA's selection, administration, monitoring, or controlling of the Contractor and in approving or accepting the Contractor's work.

- 16. SPECIFICATIONS:** Unless otherwise specified in the RFQ, product brand names or model numbers are examples of the type and quality of product required, and are not statements of preference. If the specifications describing an item conflict with a brand name or model number describing the item, the specifications govern. Reference to brand name or number does not preclude an offer of a comparable or better product, if full specifications and descriptive literature are provided for the product. Failure to provide such specifications and descriptive literature may be cause for rejection of the bid / offer.
