Crisis is defined in two ways, life threatening and crisis. Life threatening is defined as a household member's health and/or well-being would likely be endangered if emergency assistance is not provided. <p>We do priority processing for our elderly and disabled clients as the program is open to them for the first month of the season, November 1st, before the general population. LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of funds?

THRHA maintains proper controls and procedures to ensure good fiscal accounting and tracking of funds; THRHA maintains accurate record keeping, regular reconciliations and thorough documentation of all transactions. All expenses are coded (Program Assistance, Crisis Assistance, Wages etc.) and entered into the accounting system (Nexonia) and approved/denied by two approvers. We do not use subgrant recipients. We track vendor refunds by researching the award amounts and dates, the check copies are filed with the grant recipient name and amounts. If returned funds are from the current allowable fiscal years, the funds are used for other eligible grant recipients, if the funds are not in the allowable grant period, they are returned.

We also maintain proper separation of duties. We work very closely with the finance department to track.

10.1a Provide your definitions of the following:

Obligation

Obligations refer to a legally binding commitment to allocate our disbursed funds for a specific purpose i.e. LIHEAP client awards.

THRHA commitment of program funds to eligible households, vendors, or service providers for the purpose of specific things that LIHEAP addresses.

Expenditures

Expenditures refer to actual disbursement or spending of funds to pay for goods, services and obligations; this refers to actual disbursement of LIHEAP funds for eligible costs i.e. home heating utility payments, crisis payments.

Expenditure timeframe

This refers to the specific period with the funds must be disbursed or spent. Our award period will cover Oct 1st to September 30th of the following year; for expenditure reports that cover our monthly, quarterly and annual reports.

Administrative costs

Expenses incurred for the general management and support of a program or organization; for THRHA Finance services and support staff

Budget is at 9.5% to allow for returned funds or reallocation funds so we do not exceed the max allowable of 10%.

Audit Process

Yes No

THRHA has undergone a single audit each year for the last 10+ years and is considered a low-risk auditee. LIHEAP was selected as a major program in 2022, with no findings or questioned costs.

THRHA uses a formal RFP process for auditor selection every 3-5 years. Proposals received are reviewed, scored and ranked by an RFP selection committee and the winning Firm is awarded the financial statement audit and associated Federal Single Audit contract. The Board of Commissioners ratifies the selection.

10.3. Describe any audit findings of the grant recipient (i.e. State/Tribe/Territory) rising to the level of material weakness or reportable condition cited in the single audits, inspector general reviews, or other government agency reviews from the most recently audited fiscal year.

Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
